

Quarter Pony Association Aus. Inc. Membership & Registration Checklist

The QUARTER PONY - a performance pony for the whole family!

The [Quarter Pony Association Aus. Inc.](https://www.quarterpony.org.au/) looks forward to welcoming you and supporting your journey with the Quarter Pony in Australia.

- Please complete a [Work Order](#) for ALL forms and submissions including memberships, registrations, awards nominations etc.

Membership Checklist:

- Completed Membership Application Form
- Amateur Owner Application (if applicable)
- Proof of Payment (bank deposit/transfer or cheque/money order)
- Submit via email or post

Pony Registration Checklist:

- Completed Registration Form for each pony application (**must include signed, dated back page**)
- Documentation of Breeding – please include:
 - Copy of Registration Certificate from another Association **or**
 - Copy of Registration of Dam and Service Certificate **or**
 - **SIGNED** Ancestry Stat Dec detailing known Dam and or Sire name and registration no. (if known) colour and height (if known) and breeding (if known) – with as much detail as possible and any documentation you may have to verify.
- Copies of any genetic testing completed, including DNA typing, Equine genetic disease testing and any colour tests performed.
- Height Verification – must be supplied with all registration applications for ponies 2 years or older.

Awards Participation:

- Awards Nomination form for each Pony and/or each handler/rider

Dear new member – if you are joining us for the first time you can send your membership application/s at the same time as your registration application/s.

Financial membership is required for showing in Quarter Pony classes at shows and other events catering for Quarter Ponies, and to enrol in our yearly awards.

If financial membership lapses - the Quarter Pony registration is suspended and will not be eligible to compete in classes designated for foal recorded or registered stock at shows (Quarter Pony classes) until membership has been renewed.

Registration – your Quarter Pony will be issued with a registration certificate. If registering youngstock (under 2 years of age you will be issued with a Foal Recording certificate which will include the date the foal is to be upgraded by) Permanent Adult certificates are issued following the final height check – these certificates are for life and will remain active provided the owner keeps their membership active.

The QPAA offers a rewarding awards program for our members - you don't have to go to ag shows, club or breed shows - if your chosen discipline with your Quarter Pony is competitive in a different field, you can still sign up for our awards program when you join.

Non-competitive?

Prefer to attend clinics, go on organized trail rides or training days? We even have a section for our non - competitive members.

Every awards program participant will have their achievements recorded and rewarded each year.
