

How to register your Quarter Pony with QPAA

Lodge an application for registration:

Foal Recording form for youngstock 2 years or under

OR Adult application form for stock 3 years and older

Parentage:

- If parentage is known - Submit proof of breeding with registration application. Acceptable documentation includes: a copy of registration/s with another breed society, Service certificate etc
- If parentage is known but cannot be verified with approved documentation, a Stat Dec may be completed outlining the known breeding (stat dec form available on website)

If parentage is unknown, you can apply under the hardship clause:

- Hardship is for stock where both parents are unknown or not with an approved registry.
- Applicants must exhibit good quarter pony type & conformation.
- Please contact the committee so we can assist.

Height Verification must be supplied with applications:

- Foals up to the age of 2 must register for Colt, Filly or Gelding foal recording - estimated height at maturity is required. Foals upgrading will need height verification.
- Adult applications (over 2 years of age) will be required to submit a current height verification at time of application submission.
- **Accepted height verification methods:**
- Vet Certificate - our preferred method is via the [height verification form](#) which is completed by a vet.
- Height may be recorded at an official measuring day conducted by EA, Show Horse Council or at an Ag Show by an official appointed to conduct a height measurement.
- The Association may provide a Height Verification service either at an event or private property utilizing a measuring stick designed for the purpose. Contact QPAA for information
- Under specific circumstances an alternative option may be arranged - should the above options not be viable please contact the Association to discuss.

Registration Photos x 4

Photos to be supplied in JPEG format if being sent via email (if posting photos, they must be printed on photo paper, prints sent on photocopy paper cannot be processed)

- 1 Clear photo of nearside - must have head facing forwards showing a clear profile.
- 1 Clear photo of offside - must have head facing forwards showing a clear profile.
- 1 Clear photo taken directly from front with head, chest, legs and feet visible, standing as squarely as possible.
- 1 Clear Photo taken directly from behind with rear legs fully visible, standing squarely.

DNA, Genetic testing etc – please supply copies if any DNA, Genetic or other testing has been done.

Work Order Form: all applications etc must be sent with a work order form.

- Ensure all forms are completed and signed.
- Attach all supporting documentation.
- Send to the Quarter Pony Assn Aus Inc – email is our preferred method for receiving applications etc, or send via post.
- Payment – please refer to our work order for payment information.
- You must be a financial member of QPAA to lodge a any application.
